

## Clean Energy - Student Scholarship

**Details:** Clean Energy BC (CEBC) is pleased to offer a student scholarship of \$1000. The scholarship is available for students who are interested in pursuing a future in clean energy at a post-secondary institution.

**Eligibility:** Must be a BC secondary student (full-time, currently enrolled) that is graduating in 2017.

### **Application Materials:**

- ) Applicants must submit a 1-2 page paper (500 words) responding to the question “Why is clean energy important to me as a young person in BC?” Please explain why clean energy is important, cite any relevant experience with projects, volunteering, or community work, and indicate any future plans for involvement (please indicate the post-secondary institutions you have applied to and any acceptances).
- ) Applicants must also provide one letter of reference (not a relative). This could be from a teacher, a community representative, a pastor/religious teacher or a coach. The reference letter should speak to your character as a person.
- ) Please provide your contact information – address, phone number and e-mail.

**Deadline:** Applications must be received by May 15, 2017.

### **Please submit applications by mail or email to:**

Bryan MacLeod, CEBC Manager of Development and Operations  
354-409 Granville Street, Vancouver, BC V6C 1T2  
bryan.macleod@cleanenergybc.org

All decisions of CEBC’s Awards Committee are final. The winner will be notified in early June 2017. Special thanks to SNC-Lavalin and EcoFish Research for providing initial funding for this scholarship.

Clean Energy BC (CEBC) is a registered not-for-profit society in BC and represents the interests of its members who are developers/operators of projects in wind, solar, hydro, and biomass, and supply chain companies who provide legal, engineering, construction, and environmental services.
