Parent/Guardian Name: _____

Parent/guardian Phone: _____ Email: _____

The Rotary Club of Burnaby is proud to participate in a number of Adventure programs established by other Rotary clubs. These adventures take place throughout the country and are an opportunity for youth to showcase their talent, learn from industry professionals and an opportunity to further career opportunities. The club covers the registration and travel cost of the participant. The organizing Rotary Club arranges for the students to be Billeted with a host family. All other personal expenses are the responsibility of the student.

Program Details:

Launched in 1990, the Adventure in Forestry & Environment program annually introduces 20 to 30 high school students to the wide variety of careers that the forest and environmental industries have to offer. From seed to sawdust, the Adventure in Forestry and Environmental Studies program is a unique, fun packed and fast paced way to learn about these industries. Not only are participants able to work side by side with and ask questions of industry professionals, students participate in a variety of tours and learn about related programs the University of Northern British Columbia and the College of New Caledonia offer. This program incorporates the latest technology providing new and innovative techniques with first hand, on site experiences. Program participant's are eligible to compete for a Bursary offered by the Prince George Rotary Club.

Dates: May 23 – 27, 2018 | Travel Dates: May 23 & 27 | Location: Prince George, BC

For more information about Rotary and the Adventure program visit www.RotaryBurnaby.org under Youth Services.
